![GLED logo] INNOVATION AT WORK **GLED**

ETL LISTED · DLC QPL LISTED · SAA

CE RoHS

Warranty 5 Years — 5 Years Warranty

FEATURES

Main structural components for lamp body is ADC12

Die-cast aluminum, with advantages of Shock Resistance,

Corrosion Resistance.

High temperature resistance silicone seals, no atomization.

Electrostatic spray processing for Structural components.

Corrosion Resistance, fungus-proof testing for 1000hrs.

Imported PC material for optical lens.

IP65 Waterproof

High efficiency for the light distribution.Easy installation

and maintenance.

Application for Gas station, shopping mall, toll station,

work shop etc.
