

STI EXIT SIGN DAMAGE STOPPER®

STI-9640

PRODUCT OVERVIEW

Wherever exit signs are at risk from either intentional or accidental damage, installation of our super tough wire guard is the solution to the problem. Four sizes available to cover a wide range of exit sign models available today. Installation is simple with anchors and screws provided.

BACKED BY A THREE YEAR GUARANTEE

As all STI protective covers, this Stopper is backed by a three year guarantee against breakage in normal use. It is constructed of 9-gauge, welded steel wire, coated with a tough, corrosion resistant polyester shell. To provide even greater protection against vandalism, tamper resistant screws and a matching bit are available.

KEY FEATURES

General Information

- Guards help protect exit signs against vandalism and accidental damage.
- For use in controlled environment (not intended for outdoor use).
- Three year guarantee against breakage in normal use.

Design

- Guard may reduce projected light values. Verify correct exit light requirements when using guard (NFPA 101).

Construction

- Super tough construction of 9-gauge coated steel wire makes it extremely difficult to break.

Installation

- Fast and easy installation.
- Flexible mounting options with moveable mounting clamps.
- Simple removal for light bulb replacement.

Options

- Four sizes available to cover a wide range of exit signs.
- Tamper resistant hardware is available.

STI Exit Sign Damage Stopper®

STI EMERGENCY LIGHT DAMAGE STOPPER®

STI-9649

STI-9644

PRODUCT OVERVIEW

Here is an excellent way to protect your emergency lights against both vandalism and accidental damage. Some of the newest members of the STI Wire Guard Team, these Stoppers were created in response to multiple requests from STI customers. They are easy to install with all screws and anchors provided.

BACKED BY A THREE YEAR GUARANTEE

Constructed of tough steel wire that is coated with corrosion resistant polyester. It is not surprising STI backs them with a three year guarantee against breakage in normal use. These Stoppers are highly recommended for areas where abuse is severe or it is imperative that emergency lights continue to operate.

KEY FEATURES

General Information

- Offers protection against vandalism and accidental damage for emergency lights.
- For use in controlled environment (not intended for outdoor use).
- Part of a complete line of wire guard units.
- Three year guarantee against breakage in normal use.

Construction

- Constructed of tough steel wire.
- Coated with corrosion resistant polyester.

Installation

- Installation is fast and simple with screws and anchors provided.

Options

- Many sizes available.
